

This is an Invitation for YOU to become a partner with us in the work we do at Revival FM.

Have you noticed how strangely many people react when they are asked to put their hands in their pockets to help with the expenses of churches or church organisations ?

We often hear the cynics using that old well-worn phrase, "they're only after your money". It simply doesn't happen that way when the invitation is to join a golf club, a hockey club, or become a football supporter of a favourite team - no matter what the club is, everyone is aware that there will be a financial involvement if they take up that invitation.

God doesn't need our money, the Bible tells us, in Psalm 50, " I do not need to take a bull from your household or goats from your sheep folds. For every wild animal in the forest belongs to me, as well as the cattle that graze on a thousand hills". So why does He desire US to give of our goods, our time and our money to His work ?

It is simply that he wants US to become involved in His work so that WE may grow closer to Him, and closer to those who follow Him. God wants to see our commitment in deeds, rather than in words

alone. In Luke 12:34, speaking about giving, Jesus said " For where your treasure is, there your heart will be also".

Those who choose to become our Partners make regular monthly payments by standing order - many are able to add to their giving by using Gift Aid so that Revival FM can also recover the tax already paid on those payments.

£20 per month by standing order is suggested but all donations are equally appreciated. We know that the Lord will bless every one.
